Artistic Performer (Busker) Ordinance:

Sec. 26-34.3 Busker Vendors

Definition: Performer means any person or group of persons who plays musical instruments, sings, dances, speaks, or otherwise provides entertainment in the designated areas within the Festival Zone boundaries. Commercial vending of products is not considered a “performance” and as such vendors do not qualify as “performers” under this ordinance.

(a) Permit required.

Artistic Performer (Busking) vendors shall comply with Chapter 26 Division 34 of the ordinance and shall obtain a permit from the City Engineer or designee for use of the public right of way and may only be permitted in the Festival Zone boundaries.

(1)

(b) Application for permit.

Application for permits under this article shall be made pursuant to the City Engineer or designee. The application shall set forth the following:

- (1) Applicant information submitted on prescribed application along with permit fee including locations and time for performances;
- (2) Description of artistic performance along with any and all props that may be used;
- (3) Specific performance times will not be assigned by the City, nor are there actually specific performance times at any performance location. There are only positions in line (in the queue). Positions in line at a performance location are established on an honor system in which performers line up (queue) in person to establish and maintain their position in the line (queue);
- (4) A statement by applicant that said applicant will, in consideration of being issued a permit for the use of surface space, agree to hold harmless the city and the officers and employees of the city for any loss or damage arising out of the use;

(c) Every permittee under this division shall have the duty to:

- (1) Cooperate with inspection of the premises, goods or articles at any reasonable hour by the authorized agent, officer or employee of the city, or his designate;
- (2) Ascertain and at all times comply with all laws, ordinances and regulations, and all state statutes, applicable to such permitted business or premise, including, but not limited to, all building, zoning, and fire regulations, and especially to ascertain and at all times comply with any county health department rules and regulations;
- (3) Post and maintain any and all permit delivered for use on person or in a conspicuous place;
- (4) Limit the performance time to one hour when another performer is in line (and present in line) at the time the previous performer finishes their performance

- (5) During the course of performance, not call out, cry, or by the use of any device, make any noise or call attention to the sale of any goods, wares, merchandise or service whatsoever, or in any manner obstruct or interfere with the orderly flow of pedestrian traffic;
- (6) Maintain the area within and in proximity to any cart, structure or location in a neat, clean and hazard-free condition; and
- (7) No structure, cart, or equipment shall be permitted to remain after performance is complete or in the overnight.

(d) Performance Times

Artistic performers (buskers) may perform in the designated areas within the Festival Zone Area only between the hours of 9:00 a.m. and 10:00 p.m.; A performer may be required to end a performance sooner, however, if in the estimation of the City Engineer or his/her designee, the police or fire departments, a continuing performance violates the ordinance or constitutes a hazard to public safety due to crowding, non-compliance of the Fire Code or blocking of access to merchant stalls or store fronts or pedestrian access to the right of way.

(e) Performance Locations

Artistic Performers (buskers) may perform only at permitted locations on City owned right-of-way as specified in this section.

- (1) All performance locations will be marked by a colored stencil with a number inside, unless otherwise noted.
- (2) Locations with a (color?) stencil are designated quiet performance locations.
- (3) Quiet performer locations are areas where low level of vocals and instrumentation, no percussion instruments or sounds (including clapping) and non-instrumental, non-vocal performances are performed.

(f) Indemnification

All holders of a festival zone vendor permit shall indemnify and hold harmless the city from and against any and all losses, costs, damages or expenses to persons or property including property of the city, arising out of or claimed to have arisen out of such use. Furthermore, all users shall defend, at no cost to the city, any such claims or suits, provided that the city may, at its sole option, join in the defense of such claim or suit without relieving the user from any of its promises or obligations under this section.

(g) Denial of Permit

Any permit may be denied if the city engineer or designee determines the applicant does not meet the conditions of this ordinance.

(h) Termination of Permit

Any permit may be revoked or terminated by the finance director for violation of this chapter, or for violation or breach of permit conditions.

(i) Permit Periods

Artistic Performance (busker) permits shall be valid for a period of one year, from May 1 to April 31 of the following year.

(j) Fees

- (1) Permit fee is \$32 annually.
- (2) There shall be a non-refundable application fee in the amount established by the council. Said application fee shall not be refunded upon denial of any application, and shall be applicable towards the permit fee if granted.
